COFFEE

***ALL SEASON** has enjoyed a long term relationship with **Mother Parkers**, the major Canadian coffee roaster, and has worked with them to determine the best blends for the water, particularly in rural communities.*

*Established in 1912, **Mother Parkers** has grown into one of the largest private label coffee and tea manufacturers in North America. Firmly rooted in tradition, family-owned **Mother Parkers** skillfully combines technology and new product innovation.*

*Several years ago, with the cooperation of **Mother Parkers**, we began offering coffee under our own label. **ALL SEASON** 100% Colombian, and **Prairie Gold** continue to be two of our leading products.*

DISPENSER SYSTEMS

for High Traffic Areas

Features of the Washroom series:

- More time between fills – designed to hold and dispense sufficient paper for high traffic areas with no roll ends wasted
- Lower costs – pre measured towel dispensing reduces towel consumption as much 40% over folded towels, and 20% over uncontrolled roll towels
- Provide a coordinated washroom appearance, translucent styling allows you to see at a glance when it's time to refill
- Durable - constructed to withstand years of commercial use
- Towels and tissues available to meet the demand for recycled products without sacrificing quality or performance
